

Raised Garden Tubs

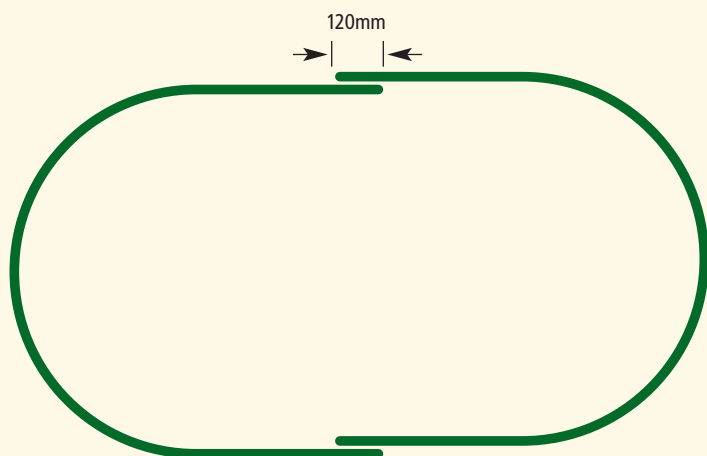

Gardening made easy!

- Easy to assemble
- Choice of five stylish colours
- Brings your garden up to you!

Assembly instructions

1. Remove protective plastic.
2. Overlap the 2 end pieces together as shown by 120mm.
3. Secure top three rows with rivets and all other rows with tek screws, 80mm between centres.
4. Place on a level surface and fill with $\frac{1}{3}$ drainage gravel and $\frac{2}{3}$ vegie mix.
